This reader edition presents selected chronology tables from the author's research compilation. Scripture references, names, ages, and underlying facts are not claimed as original authorship. Copyright is claimed in the original selection, coordination, arrangement, chronological compilation, calculations, explanatory wording, table design, and presentation to the extent protected by applicable law.

READER NOTE

These tables are research tools. Where a table contains a calculated or arranged chronological relationship, that relationship represents the author's study unless the cited biblical text explicitly states it. Readers are encouraged to compare the underlying Scripture and source material for themselves.
